For Immediate Release,

At 17:50 on October 23rd, 2023, the Thief River Falls Fire Department responded to a structure fire at 504 Knight Ave N. The structure was a multi-family residence. Upon arrival, fire was showing from the basement apartment. A primary search of the structure was completed, and one deceased occupant was found in the basement apartment. Currently the fire is under investigation with the MN State Fire Marshals Office and local Law Enforcement personnel. The structure sustained a considerable amount of damage.
